| purpose           | The Laura Bassi Scholarship was established in 2018 with the aim of providing editorial assistance to postgraduates and junior academics whose research focuses on neglected topics of study, broadly construed, within their disciplines. The scholarships are open to every discipline and are awarded three times per year: December, April, and August. The value of the scholarship is remitted solely through editorial assistance as follows: Master's candidates: \$750 Doctoral candidates: \$2,500 Junior academics: \$500 These figures reflect the upper bracket of costs of editorial assistance for master's theses, doctoral dissertations, and academic journal articles, respectively. All currently enrolled master's and doctoral candidates are eligible to apply, as are academics in the first five years of full-time employment. There are no institutional, departmental, or national restrictions. |
