Eligible Scholarships

The Career Scholarship - Young Professional

Name	The Career Scholarship - Young Professional
Municipality	Stockholm
Category	Studies
Purpose	In order to receive a scholarship, you must, among other things, state your future plans for your career, how you will use the scholarship and tell more about something you are proud of having achieved during your studies or at work. Who will ultimately receive the scholarships is determined by a committee. The scholarship is open to all students and young professionals with an academic education. Value SEK 15,000.

Laura Bassi Scholarship

Name	Laura Bassi Scholarship
Municipality	Canada
Category	Studies
Purpose	The Laura Bassi Scholarship was established in 2018 with the aim of providing editorial assistance to postgraduates and junior academics whose research focuses on neglected topics of study, broadly construed, within their disciplines. The scholarships are open to every discipline and are awarded three times per year: December, April, and August. The value of the scholarship is remitted solely through editorial assistance as follows: Master's candidates: \$750 Doctoral candidates: \$2,500 Junior academics: \$500 These figures reflect the upper bracket of costs of editorial assistance for master's theses, doctoral dissertations, and academic journal articles, respectively. All currently enrolled master's and doctoral candidates are eligible to apply, as are academics in the first five years of full-time employment. There are no institutional, departmental, or national restrictions.

Annika and Gabriel Urwitz Foundation

Name	Annika and Gabriel Urwitz Foundation
------	--------------------------------------

Municipality	Stockholm
Purpose	The foundation's charitable purposes are primarily to support scientific research and education concerning economics and law, and likewise research and education on Jewish thought, Jewish texts, Jewish law, ethics, religion and culture (Judaism). Other scientific research may also be supported. Culture and cultural activities of a different kind than those listed above may also be supported. A person in financial hardship can exceptionally be supported in dire circumstances (social assistance activities). The foundation shall promote its purpose above all by awarding scholarships and issuing other grants and contributions, but may also arrange and/or support seminars and conferences. Grants and contributions may be issued to other foundations and institutions. The board has the right, after completely free choice, to focus on one or two of the foundation's purposes in a certain or certain years. The foundation's purpose must be met by primarily claiming the return on the foundation's capital. As a return, not only the customary current such as interest and dividends, but also realized capital gains should be considered. For urgent investments, part of the foundation's capital can also be called upon after the board's previous careful examination, however, the foundation must always permanently have a value of at least SEK 300,000 as tied-up capital.
